Independent Auditor's Report

Board of Directors Domestic Violence & Child Advocacy Center Cleveland, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of Domestic Violence & Child Advocacy Center (a nonprofit organization), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Domestic Violence & Child Advocacy Center's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Domestic Violence & Child Advocacy Center's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Domestic Violence & Child Advocacy Center as of June 30, 2017 and 2016, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

PrimeGlobal An Association of Independent Accounting Firm

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of Federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2017, on our consideration of Domestic Violence & Child Advocacy Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Domestic Violence & Child Advocacy Center's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

1. Description of organization and summary of significant accounting policies:

Description of organization:

Domestic Violence & Child Advocacy Center's (the "Organization") primary purpose is preventing, responding to and advocating for victims of child abuse and domestic violence, including teen dating violence and stalking. The mission is to empower individuals, educate the community, and advocate for justice to end domestic violence and child abuse. The Organization reaches 25,000 individuals annually. Services include a 24/7 Helpline, Emergency Shelter, Justice System Advocacy, Trauma Therapy, Supervised Visitation, and Multicultural & Education services, including Latina Project, Ujima, KEYS 4 Deaf Access, as well as community outreach, education, and professional training.

The Organization received approximately 58% in 2017 and 48% in 2016 of its funding from government grants and received approximately 29% in 2017 and 31% in 2016 of its funding from donations from foundations and individuals. The Organization received approximately 13% in 2017 and 21% in 2016 of its funding from other sources.

Basis of accounting:

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Basis of presentation:

Financial statement presentation follows accounting principles generally accepted in the United States of America (U.S. GAAP). The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Temporarily restricted net assets result from timing differences between the receipt of funds and the incurrence of the related expenses. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported on the statement of activities and net assets as net assets released from restrictions.

Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates and assumptions.

YEARS ENDED JUNE 30, 2017 AND 2016

1. Description of organization and summary of significant accounting policies (continued):

Cash:

Cash consists of unrestricted cash on hand and checking accounts. The Organization maintains cash balances at a single bank, which are insured by the Federal Deposit Insurance Corporation up to \$250,000. From time to time, the Organization's cash balances may exceed federal insured limits. The Organization does not expect to incur any losses resulting from cash held at financial institutions.

Grants receivable and revenue recognition:

The Organization receives grants from Federal, state, and local government sources under a variety of programs. Amounts received under these programs generally require compliance with terms and conditions specified in the grant agreements, and are subject to audit by the grantor agencies. Grant revenue under these types of programs is reported as an increase in unrestricted net assets in the reporting period in which the terms and conditions specified in the grant agreement are satisfied. Grants receivable are recorded at amounts expected to be collected. An allowance for uncollectible grants receivable is recorded based upon a consideration of the likelihood that accounts will not be collected in full. Organization management is of the opinion that an allowance for uncollectible grants is not deemed necessary at June 30, 2017 and 2016.

Contributions:

The Organization accounts for contributions in accordance with U.S. GAAP, which provide that contributions be recognized as revenue in the period in which the pledge (promise to give) is received.

The Organization considers all contributions to be unrestricted unless specifically restricted by the donor. Unconditional promises to give due in the next year are recorded at their net realizable value. Unconditional promises to give due in subsequent years are discounted at an appropriate discount rate commensurate with the risks involved. All promises to give are due in less than one year at June 30, 2017 and 2016. An allowance for uncollectible pledges receivable is provided based upon management's judgment, including such factors as prior collection history, type of contribution, and nature of fundraising activity. Organization management is of the opinion that an allowance for uncollectible pledges is not deemed necessary at June 30, 2017 and 2016.

Property and equipment:

Property and equipment purchased by the Organization is carried at cost. Donated items are carried at fair market value as of the date of donation. The Organization's policy requires items greater than \$1,000 with a useful life greater than one year to be capitalized.

YEARS ENDED JUNE 30, 2017 AND 2016

1. Description of organization and summary of significant accounting policies (continued):

Property and equipment (continued):

Depreciation is calculated on the straight-line method over the estimated useful life of the respective assets, which are as follows:

Building and improvements10-20 yearsEquipment3-5 yearsFurniture and fixtures5 years

Investments:

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values on the statements of financial position. Realized and unrealized investment gains and losses are included in investment income (loss) on the statements of activities and net assets.

Deferred revenue:

Deferred revenue consists of cash received for grants that have not yet been expended as of year-end.

Donated professional services:

Donated services are recognized as contributions in accordance with U.S. GAAP, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization.

The Organization receives various donated services each year. No amounts have been recognized in the accompanying statements of activities and net assets for these donated services because the criteria for recognition under U.S. GAAP has not been satisfied.

Donated goods:

Donated goods are items received by the Organization from donors for use by shelter residents. The items are recorded at fair value based on estimated retail prices.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2017 AND 2016

1. Description of organization and summary of significant accounting policies (continued):

Tax-exempt status:

The Organization received a favorable determination letter from the Internal Revenue Service stating that it is exempt from taxation on income related to its exempt purpose under Section 501(c)(3) of the Internal Revenue Code (the "Code"). In addition, the Organization has been classified as an organization that is not a private foundation within the meaning of Section 509(a) of the Code. Accordingly, no provision for Federal income tax has been made in the financial statements.

The Organization is no longer subject to Federal income tax examinations by tax authorities for years before 2014.

Functional expenses:

Costs of providing various programs and other activities have been summarized on a functional basis on the statements of activities and net assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on full-time equivalent percentages.

Reclassifications:

Certain amounts in the 2016 financial statements were reclassified to conform to the 2017 presentation.

Recent accounting pronouncements:

In August 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities* (Topic 958), *Presentation of Financial Statements of Not-for-Profit Entities*. The objective of this ASU is to improve the current net asset classification requirements and information presented in financial statements and notes about not-for-profit entities' liquidity, financial performance and cash flows. The ASU will be effective for years beginning after December 15, 2017.

In May 2014, FASB issued ASU No. 2014-09, Revenue from Contracts with Customers (Topic 606). The guidance in this ASU supersedes the revenue recognition requirements in Topic 605, Revenue Recognition, and most industry-specific guidance throughout the industry topics of the FASB Accounting Standards Codification (ASC). The core principle of this ASU is that an entity should recognize revenue to depict the transfer of promised goods or services in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. To achieve that core principle, an entity should apply the following steps, (1) identify the contract(s), (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenue when (or as) the entity satisfies a performance obligation. In August 2015, ASU 2015-14 was issued to defer the effective dates of the revenue standard for one additional year. The ASU will be effective for nonpublic companies for years beginning after December 15, 2018.

1. Description of organization and summary of significant accounting policies (continued):

Recent accounting pronouncements (continued):

In February 2016, FASB issued ASU No. 2016-02, *Leases* (Topic 842). This ASU requires lessees to recognize assets and liabilities on the statement of financial position for leases with lease terms greater than twelve months. The recognition, measurement and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. This ASU amends current guidance that requires only capital leases to be recognized on the lessee's statement of financial position. The ASU will also require additional disclosures on the amount, timing and uncertainty of cash flows arising from leases. The ASU will be effective for nonpublic companies for years beginning after December 15, 2019.

Management has not yet determined the impact these ASUs will have on its financial statements, and will adopt the provisions upon the respective effective dates.

Subsequent events:

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through September 21, 2017, the date the Organization's financial statements were available to be issued.

2. Fiscal agent funds:

The Organization is the fiscal agent for the creation of a Children's Advocacy Center (CAC). On behalf of the CAC, the Organization performs various fiscal duties, such as maintaining and distributing cash funds under the terms of the agreement with United Way of Greater Cleveland. Fiscal agent funds have been presented separately as restricted cash, with a corresponding liability, on the statements of financial position.

3. Investments (continued):

The Organization, directly and through the Cleveland Foundation Investment Pool, invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could have a material effect on the Organization's statements of financial position, activities and net assets, and cash flows.

The following is a summary of investment income (loss) for the years ended June 30, 2017 and 2016.

		2017	 2016
Interest and dividend income Net realized and unrealized gains (losses)	\$	9,199 10,238	\$ 5,812 (6,197)
	<u>\$</u>	19,437	\$ (385)

4. Fair value:

U.S. GAAP establishes a framework for measuring fair value for certain assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

- Level 1 Valuations based on quoted market prices in active markets.
- Level 2 Inputs, other than quoted prices in active markets that are observable, directly or indirectly.
- Level 3 Unobservable inputs for which there is little or no market data.

The fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of cash and cash equivalents is based on its face value, which approximates fair value. The fair value of mutual funds is based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets. Inputs are obtained from various sources including market participants, dealers, and brokers. The fair value of The Cleveland Foundation Investment Pool is based on the Organization's relative percentage of fair value of the underlying assets invested in The Cleveland Foundation Investment Pool, which the Organization believes approximates the present value of the expected future cash flows of the trusts.

There have been no changes in the methodologies used at June 30, 2017 and 2016.

4. Fair value (continued):

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets measured at fair value at June 30, 2017.

5. Line of credit:

The Organization has a secured line of credit with a commercial bank that provides for borrowings up to \$150,000 at the bank's prime interest rate plus 1.25%. The line of credit is collateralized by the Organization's operating assets. There were no borrowings at June 30, 2017 and 2016. The interest rate of the line of credit was 5.50% at June 30, 2017 and 4.75% at June 30, 2016.

6. Temporarily restricted net assets:

Temporarily restricted net assets are available for the following purposes at June 30, 2017 and 2016.

	2017		2016	
Program salaries and wages	\$	217,573	\$	234,425
Capital campaign		45,945		15,944
Program activities and supplies	_	13,278		12,903
	<u>\$</u>	276,796	\$	263,272

7. Commitments and contingencies:

The Organization has an operating lease to lease space in two Payne Avenue buildings. The initial term of the lease is for five years expiring April 30, 2019, and includes two five-year renewal options.

The Organization leased copier equipment under two operating leases, which were scheduled to expire on May 27, 2015 and October 19, 2016, respectively. In August 2014, the Organization entered into a five-year operating lease to lease copier equipment, which replaced the previous two leases. Additionally, the new lease paid off one of the operating leases, which was non-cancelable, in the amount of \$16,250.

Rent expense for all operating leases totaled \$168,012 in 2017 and 2016.

The future minimum operating lease payments at June 30, 2017 are as follows:

2018 2019	\$	167,420 167,420
2020		21,627
	¢	356 467

The Organization operates in an environment subject to extensive Federal and state laws, rules, and regulations, including payment for services, conduct of operations, and facility and professional licensure. Changes in law or regulatory interpretations could reduce the Organization's revenue on a going-forward basis.

YEARS ENDED JUNE 30, 2017 AND 2016

8. Retirement plan:

The Organization maintains a tax deferred annuity plan (the "Plan") under Section 403(b) of the Code. The Plan is funded for all eligible employees exclusively through the purchase of annuity contracts from an insurance company. The Plan currently allows for the Organization to make discretionary contributions to the Plan equal to 1% of an employee's compensation after completion of one year of continuous service. In addition, the Plan allows for a discretionary matching contribution of 100% of an employee's contribution up to 1%.

The Organization's policy is to fund the cost of the Plan annually. No contributions were made to the Plan for the years ended June 30, 2017 and 2016.

9. Board designated funds and endowment fund:

The Board designated funds totaling \$18,419 at June 30, 2017 and \$18,222 at June 30, 2016, to be held at The Cleveland Foundation.

Additionally, permanently restricted net assets of \$11,305 at June 30, 2017 and 2016, are subject to the restriction of the donors that the principal be invested in perpetuity with only the income permitted to be utilized.

10. Statements of cash flows:

Cash paid for interest totaled \$176 in 2017. There was no cash paid for interest in 2016.

Supplemental disclosure of noncash transactions:

Restricted cash decreased \$29,894 in 2017 and increased \$17,863 in 2016, with a corresponding decrease and increase, respectively, in accounts payable, fiscal agent.

Notes to Schedule of Expenditures of Federal Awards

Note A - Basis of presentation:

The schedule of expenditures of Federal awards includes the Federal grant activity of Domestic Violence & Child Advocacy Center (the "Organization") under programs of the Federal government for the year ended June 30, 2017. The information in the schedule of expenditures of Federal awards is presented in accordance with the requirements of Title 2 U.S. *Code of Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule of expenditures of Federal awards presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Note B – Summary of significant accounting policies:

Expenditures reported on the schedule of expenditures of Federal awards are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and/or OMB Circular A-122, Cost Principles for Non-Profit Organizations, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note C - Indirect cost rate:

The Organization has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors Domestic Violence & Child Advocacy Center Cleveland, Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Domestic Violence & Child Advocacy Center (a nonprofit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 21, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Domestic Violence & Child Advocacy Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Domestic Violence & Child Advocacy Center's internal control. Accordingly, we do not express an opinion on the effectiveness of Domestic Violence & Child Advocacy Center's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Domestic Violence & Child Advocacy Center's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Domestic Violence & Child Advocacy Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

20

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Domestic Violence & Child Advocacy Center's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Domestic Violence & Child Advocacy Center's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

<u>Independent Auditor's Report on Compliance for Each Major Program</u> and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors Domestic Violence & Child Advocacy Center Cleveland, Ohio

Report on Compliance for Each Major Federal Program

We have audited Domestic Violence & Child Advocacy Center's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Domestic Violence & Child Advocacy Center's major Federal program for the year ended June 30, 2017. Domestic Violence & Child Advocacy Center's major Federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with Federal statutes, regulations, and the terms and conditions of its Federal awards applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Domestic Violence & Child Advocacy Center's major Federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about Domestic Violence & Child Advocacy Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major Federal program. However, our audit does not provide a legal determination of Domestic Violence & Child Advocacy Center's compliance.

Opinion on the Major Federal Program

In our opinion, Domestic Violence & Child Advocacy Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major Federal program for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of Domestic Violence & Child Advocacy Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Domestic Violence & Child Advocacy Center's internal control over compliance with the types of requirements that could have a direct and material effect on the major Federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major Federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Domestic Violence & Child Advocacy Center's internal control over compliance.

22

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

Hee: Co.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
